

## Paul Knudson post to the **Westview Centennial School Students of the 70's** Facebook group

*August 7, 2021*

Do you remember where you were 50 years ago today?

If you were a fan of the Westview rock band "Trenchmouth" (John Amoto, Eric Knight, Dan McGaw, and Paul Knudsen (me)) on August 7, 1971 you were at Ontario Place.

We played the West Cove Stage in the afternoon and the 12 to 19 Club in the evening.

I remember driving down to Ontario Place with Frank Spink in his 1964 Lincoln Continental.

Great memories!

John Amoto

Dan McGaw

Paul Knudsen
